8. Day of service project
 - a. Registration sign in sheet available for YLDP Students attending
 - b. Each student has a clear understanding of their “job function” to assist in making the community project a success
 - c. The project is underway and complete

Important planning tips:

Have a plan for your volunteers. (YLDP Students) How many students will you need to make the service project a success? Be specific about the community service project so all students will have an idea of their duties once they arrive. Keep YLDP representative updated throughout your planning process and aware of any issues that may occur during the planning process.
