

CELEBRATE RECOVERY

Celebrate Recovery is the largest dinner service in the state which provides food to about 250-300 underprivileged people every Friday. When the YLDP students arrive at 5:15pm, we will be setting up tables for the guests that are being served. Then, at 6:00pm we will be serving food to them in the form of a lunch line. Then, once the guests have eaten, we will clean up by wiping down tables, sweeping the floor, and putting chairs on tables. Students will be dismissed at 8:00pm.

Please wear casual attire/blue jeans
