

Fairview Tutoring Day

January 23, 2019

Location: Fairview High School (Library)

841 Welcome Rd, Cullman, AL 35058

Time: Sign in NO LATER than 3:30 pm (to allow for after school travel)

Sign out at 5:30 pm

Overview & Purpose

I began a tutoring lab at my high school in order to better the education of Fairview students struggling with their studies at any grade level. This tutoring day will allow Fairview students (grades K-12) to receive one-on-one or small group help from YLDP students. Volunteers will need to provide what subjects and age ranges they are comfortable teaching in the jot form created for this event. Lesson plans and worksheets will be provided to each volunteer depending on tutoring preference and event attendance.
