1:45pm-5pm

GREATER BIRMINGHAM HUMANE SOCIETY

300 Snow Drive, Birmingham, AL 35209

NEEDS YOU

Since 1883, the mission of the Greater Birmingham Human Society has remained the same - to promote the humane treatment of people and animals through education, advocacy and services. Their services revolve around four actions: adopt, educate, rescue and serve. They are a nonprofit organization who depends on volunteers to help around the campus. The animals at the shelter thrive with human interaction. This project is helping a great organization and having fun at the same time.

The day of volunteering will include:

- Taking dogs on walks
- Taking animals to the play yards
- Giving baths to the animals
 - In-kennel socialization
 - In-kennel grooming
- Help around the grounds
 - Help with Laundry
- ☺ LOADS OF FUN ☺

IMPORTANT DETAILS: Volunteers will all need to sign in, as well as fill out a waiver upon arrival.

DRESS CODE: A long or short sleeve t-shirt, jeans, or pants that you do not mind getting dirty and **CLOSED-TOE TENNIS SHOES.** (You will be walking and working in areas that will be hazardous to exposed feet, and so anyone who is not wearing appropriate footwear will not be allowed to work with dogs, but may be allowed to work with cats.)
